*For Lab employees who require safety shoes for their work, their supervisor or authorized approver fills out the Safety Shoe Issuance Form. The lab provides \$120.00 towards the purchase. For safety shoes that cost more than \$120.00, the portion of the cost over \$120.00 may be made by payroll deduction from the employee's paycheck. The shoemobile sells cushion insoles that may be added to the payroll deduction.*
